

FUSION CENTER FOR DANCE

Fusion Dance Company Showcase 2016

If you love the show dance moms... this show is for you.

All the incredible dancing without the drama!

Fusion Dance Company will present their 2016 Dance Showcase on February 27th at 5:00 at the Howard Performing Arts Center, at St. Joseph High School. Thirty-eight young ladies, ranging in age from 3-18 will blow you away with their dance technique, style and amazing moves. The evening showcases all of the numbers that will be a part of the 2016 competition season. Over 40 dances will be performed including tap, contemporary, hip hop, jazz and musical theater. The performers will have you laughing, crying and cheering before you leave.

To get tickets, please call Fusion Center for Dance at 269-985-8144, stop by the studio at the Orchards Mall (Entrance 2) or go on-line to www.FusionCenterForDance.com. Tickets are \$10 each for anyone age 13 and older, or \$5.00 for anyone 12 and younger.

A donation will be made to the "Power of 5" organization from the evenings proceeds. Amway has launched the Nutrilite™ Power of 5 Campaign to raise awareness of childhood malnutrition as they work with Amway Business Owners, employees and the public toward a global solution. - See more at: <http://powerof5.nutrilite.com/about-power-of-5#sthash.lhfLuUa8.dpuf>

FDC Director, Jennifer Loy had this to say, "Our dancers have worked incredibly hard this season. Their dedication and commitment has really come together to create some fabulous dancing. We chose to support the "Power of 5" program this year, because the father of one of our dancers, Jeff Terry, who works at Amway has been a big part of the "Power of 5" as well as a very important part of our team family. I hope everyone will take the time to come see the show."
