Attire: All students are to wear the appropriate dance attire to all classes. See attire requirements on the Fusion website under each class description. Items are available for sale in our gift shop.

Observation: Parents, friends, and family may observe their dancer's class(es) every week through the online Zoom function. Links can be found in your parent portal.

Evaluations: Dance evaluations will be given out at the end of each season. They are completed by the instructor and reviewed by the dance director. This will give the parent an overview of your child's progress and placement for the following season.

Communication: Fusion Center for Dance is green! A monthly newsletter will be sent via email each month with important information.

Recital: All dancers are welcome and encouraged to participate in the annual recital. This is held at the Mendel Center, typically the 3rd Saturday of June. Dancers participating in this year-end celebration are required to purchase a costume for each class he/ she is participating in. Costume cost is \$100 per costume/class and is charged in four installments (Oct, Nov, Jan & Feb). A \$25 performance fee (March) will also be charged to each dancer in the recital to cover the costs of chaperones and other fees associated with putting on the performance.
