## PERFORMANCE OPPORTUNITIES AT FUSION

We are incredibly passionate about dance and that's why we offer more performance opportunities for those students who just can't get enough. Our teams give our students a chance to show their dedication to dance and build a higher level of leadership, self-confidence, and self-reliance. Through participation in competitions, performances, and conventions, we hope to instill in our students an appreciation for other dancers and teachers both inside our own studio and with other studios. Being part of a team requires a more serious time commitment, additional expenses, and dedication beyond the normal dance year. Each of our teams has a different level of commitment, cost, and opportunities. We are sure there is one perfect for your dancer!

**Fusion Dance Company** – The Fusion Center for Dance competition team has been recognized nationally for both excellence in performance and choreography. Our competition program is designed to help dancers learn discipline, teamwork and to achieve their personal best. Placement on our competition team is by personal invitation to our required summer intensive and audition process held in August.

**Fusion Hot Shots** - We are so excited to offer this fun introduction to competitive dance. The team is open to dancers ages 3-10 and meets every week, September through June. There is no audition necessary. *(Formerly known as the Fusion Rec Team)*

**Fusion Boyz Cru** – A special performance group just for the guys. Dance is as demanding as any sport and in fact many professional athletes use dance as a training tool. Build strength, stamina, coordination and have fun at the same time! Taught specifically with guys in mind, this competition group performs several times throughout the year and is open to young men ages 6 and up.

**Fusion Force Cheer & Dance All Stars** – Our brand-new competitive cheer and dance team is now open for registration. We have three levels that will be offered at both our Benton Harbor and Coloma locations. The team is open to dancers ages 3-18 and will meet every week, September through June and focus on working technique, stunting, and acro for the dance and cheer routines that they will perform at two competitions. This group will also perform in the recital and throughout the community at various events.

**Fusion Groove Crew** - This new performance group is open to dancers ages 5-12. They are required to take a choreography class as well as attend a regular technique class. Throughout the year they will work on a routine to perform throughout the community and in the recital.

**Midwest Youth Ballet Company** – The MYBC is a non-profit ballet company dedicated to cultivating artistic excellence through education, enrichment, and inspiration. Open to students from all studios with at least 2 years of ballet experience, ages 5-18. Auditions will be held in September. See [www.MyBalletCompany.org](http://www.MyBalletCompany.org) for more details.

## Fusion Classes Descriptions

At Fusion, we offer something for everyone! All classes follow time tested curriculums and focus on technique, musicality and strength building. From our youngest dancers to our most seasoned, the Fusion method is designed to bring out the best in each of our students and to build their skill set to develop their own unique style and meet their personal goals.

### **Ages 3 and Under**

**Tiny Tumblers** - A great place to start. Learn basic stretching and tumbling skills with a fun engaging curriculum that will get everyone wiggling and shaking.

**Dance with Me!** - (18 mo.-2.5) This developmental class focuses on the parent and child participation with an introduction to dance as well as other valuable skills such as listening, taking turns, standing in line, following directions and sequential order. It is a great class to help transition your child into a dance class on their own. Our big goal is that this class will perform in the recital with parents watching from the audience.

### **Ages 3-5**

**Ballerina Princess** - Jump, twirl and dance in this fun introductory dance class designed for children 3-5 years old. It is a first step into the world of dance. The class includes tap, ballet and creative movement. Each month a new theme will engage students in movements to refine gross motor skills through props and fun activities. *Students must be potty trained.*

**Pre-Primary Acro** - Get tumbling! Learn basic stretching and tumbling skills with a fun engaging curriculum that will get everyone moving and improve strength and technique.

**\*NEW\* Diva Hip Hop** - This high energy class is the perfect introduction to hip hop for our little super stars. Students will build motor skills, strength, and confidence.

### **Ages 5-7**

**Combo Classes** - These classes let students explore two different styles of dance while continuing to increase basic skills, enhance large motor movements, improve musicality and have fun. Students will perform both styles of dance in the recital at the end of the year. Classes include ballet/tap, jazz/lyric, hip hop/acro, ballet/jazz and more!

### **Ages 8+**

As students mature, it is time to take technique to the next level with full hour to 1 ½ hour classes that focus on one genre at a time (jazz, tap acro, ballet, hip hop, pointe, modern, contemporary, and more). All are taught by our certified, adult staff. These classes follow primary, elementary, intermediate, and advanced levels. Students typically spend 2-3 years at each level as they learn and master each skill in the curriculum. At the end of the year a written evaluation is posted into the student's account for each class under the parent portal.

**\*NEW\* Musical Theater** - Students will be exposed to various theatrical dance styles that incorporate elements of ballet, jazz and modern while staying true to Broadway inspired choreography and music.

**Voice & Piano** - Fusion offers piano and voice lessons on an individual basis. Ask the front desk for information about how to schedule for your child.

**Homeschool Opportunities** - Daytime classes specifically designed for students who have the flexibility of receiving education at home. We also work with the Berrien and Niles partnership program, who provide tuition assistance for students.

**\*NEW\* ZUMBA!** - Adults, this one is for you. Now in Coloma and Benton Harbor. Join Mr. Dennis for a fun, energetic dance experience that will get your heart pumping and your hips moving. Classes in Coloma and Benton Harbor, daytime and evening.

**Private Lessons** - Consider a private lesson for your dancer with their favorite teacher, once a month, or once a week! Work on a certain skill or even the recital dance. One-on-one attention is so important for your dancer. Ask the front desk for information about how to schedule
