Absences: If your child is absent from class for more than one week, we ask that you let the studio know. You are welcome to make up any class in a class of your choice during the week at your convenience. We ask that parents can log absences in the parent portal if known ahead of time.

Parent Portal: All families have access to their account balance, links to practice videos, recital music, evaluations, and other important information at any time online through the Fusion parent portal.

Attire: All students are to wear the appropriate dance attire to all classes. See attire requirements on the Fusion website under each class description. Items are available for sale in our gift shop.

Evaluations: Dance evaluations will be given out at the end of each season. They are completed by the instructor and reviewed by the dance director. This will give the parent an overview of your child's progress and placement for the following season.

Communication: Fusion Center for Dance is green! A monthly newsletter will be sent via email each month with important information.

Recital: All dancers are welcome and encouraged to participate in the annual recital. This is held at the Mendel Center, typically the 3rd Saturday of June. Dancers participating in this year-end celebration are required to purchase a costume for each class he/ she is participating in.

A \$25 performance fee (March) will also be charged to each dancer in the recital to cover the costs of chaperones and other fees associated with putting on the performance.
